SEPTEMBER, 2010

FEDERAL: Hundreds of bills are in Congress without action! This condition and the huge deficit means little movement for Social Security reform.

STATE : For present personal legislature recommendations, check the new OEA Group site (www//oea.org) and the recent NEOEA—Retired Newsletter—August 2010

Those in favor of public education and those opposed are identified. (www.retired@neoea.org)
Check the NEOEA newsletter! STRS has indicated that retirees must have been enrolled by October to receive their monthly check in direct deposit to their bank/financial institution.

Those who want to enroll in the Prudential Long Term Care insurance should have applied by October 1, 2010. Those with AETNA coverage may remain. Approximately 42 % have opted for Prudential.
