SUMMIT COUNTY RETIRED TEACHERS ASSOCIATION

Classroom Teacher Grant Program Guidelines

The Summit County Retired Teachers Association (SCRТА) offers six grants of up to \$300 annually to active teachers in the County's 17 public school districts. These grants are intended to provide teachers with the financial means to plan and implement classroom or school-wide activities and projects that supplement and enhance district and grade level curricula.

Grant monies may not be used to replace funds already allocated through the school, the district or from other funding sources. The program is open to all grade levels and academic disciplines. Grant applications are available in each school office. Applications may also be downloaded from the SCRТА website at www.summitcountyrta.org.

In order to be considered for a grant award, applicants must honor the terms and conditions listed below. The deadline for submitting an application to SCRТА for the 2024-25 school year is December 8, 2024.

- Grants are limited to teachers in Summit County public schools. Grants may be used, at the recipient's discretion, at times which best fit the academic and/or curricular year.
- Team or joint applications are acceptable.
- A committee of SCRТА members will evaluate grant applications and determine award winners.
- Applications must include goals and clearly stated and measurable outcomes.
- Applications must include a complete and reasonable budget.
- In the case of joint applications, all teachers involved must sign the application.
- The school principal or the applicant's immediate supervisor must sign the grant application.
- Grant funds will be dispersed by the district treasurer. Unused funds will be returned to SCRТА.
- No funds may be used to pay salaries or purchase gifts.
- Grant winners will be required to submit an evaluation of the grant project and an accounting of how funds were spent to SCRТА by June 1, 2025.
